

REMARKS

Claims 1 to 21 are pending. Claims 2, 4 to 6, 8 and 20 are withdrawn.

No claims are allowed.

The Cross-Reference To Related Applications section has been amended. It now indicates that the present application is a U.S. National Stage of PCT/IB04/03676, filed on Nov. 10, 2004, which claims priority to U.S. Provisional Applications Ser. Nos. 60/518,768, filed on Nov. 10, 2003; 60/548,542, filed on Feb. 26, 2004; and 60/561,141, filed on April 10, 2004.

This priority claim is similar to that which was submitted with the amendment filed on June 23, 2009. However, the originally filed, incorrect priority claim was re-submitted with the substitute specification filed on December 4, 2009. Out of an abundance of caution, the applicants again re-submit the correct priority claim.

A substantive examination on the merits of the pending claims is requested at an early date.

Respectfully submitted,

Michael F. Scalise
